

Easy Read

This page has **pictures** and **easy words**.

My name is **James**.

I make **websites**.

My websites are **very fast**.

They open in **1 second**.

Google tests websites.

Google gives my website the **top score**.

My websites are **always on**.

Another company checks this. Not me.

Everyone can use my websites.

Disabled people can use them too.

People can **find** your business on Google.

My websites have **no pop-ups**.

They do **not** track you.

The **first demo is free**.

Then I tell you **the price**.

There is **no** fee to start.

You can **stop** any time.

You also buy your **website name**.

It costs a **small amount each year**.

The name is **yours to keep**.

First I make a **free demo**.

You look at it.

You only pay if you **like** it.

I make websites for people **anywhere**.

We do it all **online**.

Do you want a website?

Send me your **business name**.

I will make you a **free demo**.
